

ROMAN BALASHEVICH (BELSHEVITZ)

+972(0)534619545
rbalashevich@gmail.com

Haifa, Israel

OBJECTIVE

To shift my career as a DevOps engineer or Cloud engineer to new horizon.

SKILLS

- ✓ DevOps engineer with 2+ years of DevOps practice and 14+ years of system administrator duties – total 16+ years of experience. My duty is in field of IaC / SaaS, micro-services. Also I have been focused on network traffic analysis, IT security issues. As a key team player I developed a number of Linux based solutions, including those based on the ARM architecture.
- ✓ Today I am helping to ensure software delivery to clients ranging from early-stage startups to large enterprises. Work in the “Infrastructure as Code” (IaC) paradigm.
- ✓ Docker / Kubernetes / Terraform / CircleCI / GitHub Actions / Bitbucket. Amazon AWS EC2 & EKS, Google GCP GCE & GKE

EXPERIENCE

DevOps Engineer (Otomato Software Ltd, Ramat Gan, Israel) 2021 – Present

- Implementing CI/CD pipelines, containerizing apps, kubernetes deployments
- Provisioning IaC with Terraform

DevOps Engineer (Freelance tasks) 2019 – 2021

- Provisioning servers and deploying features using ansible
- Deploying docker containers for implementing micro-service architecture, managing cloud instances

Linux System Engineer (SOTSBI R&D Ltd, St Petersburg, Russia) 2013 – 2019

- Developing Linux based systems (x86-64, ARM), thin clients
- Maintaining custom Linux kernel builds
- Supporting a CI/CD pipeline from git to docker with jenkins
- Managing MySQL databases
- Performing instance monitoring with zabbix and nagios
- Configuring routers & firewalls, NASes
- Investigating traffic security issues with iptables, wireshark, ntop, nessus, iptraf, fail2ban

System Administrator (LONIIS State R&D Institute for Telecom / The Bonch-Bruевич University, St Petersburg, Russia) 2005 – 2013

- Support & monitoring of Intranet / data center infrastructure
- Accounting hardware equipment (Cisco, Juniper, MikroTik)
- Managing PBXes & VoIP

EDUCATION

National Open Institute (St Petersburg, Russia)
B.Sc. in Management

2006
